AUSTRALIAN NOMINATION OF MR M. HIGGINS FOR VICE PRESIDENT FIG

Dear Holger

This is to officially nominate Mr Matt Higgins, a Fellow of this Institution, as a candidate for Vice President of FIG for 2007 to 2010. I understand the elections will be held during a General Assembly of FIG at the Congress in Munich in October this year.

The Institution of Surveyors will offer strong support for Matt's candidacy and believes that his election to the Council of FIG would be of great benefit to the Federation given his long experience in various official positions with FIG since 1995.

Please find attached Mr Higgins' detailed Application for Candidate for Vice President along with his Resume.

Yours sincerely

Craig Sandy
President of ISA

cc: Mr Matt Higgins, Chair - Commission 4, FIG
