### Nomination Vice-President FIG

Dear President Prof. Magel,  
dear Director Villika,

with reference to your letter of 6. Mai 2006 regarding "Election of FIG President etc."  
and on behalf of DVW I would like to nominate

Prof. Dr. Ralf Schroth

for the position of a Vice-President for the period of 2006-2008.

DVW is convinced that Prof. Schroth did a very good job as Vice-President (in the old function of a treasurer) for the FIG-Community in the last FIG-period. He therefore is very experienced and was one of the successful players to set up the new "look and feel" of FIG.

Following the new statutes and rules it would be a very good solution to keep one of the colleague of the old council in charge. That may help and from our point of view is important to guarantee continuity. The period of two years will be the right duration for the job.

With his background DVW will be sure, Prof. Schroth is more than welcome as a candidate of Vice-President.

Attached you will find the CV of our nominee.

With kind regards

A handwritten signature in black ink, appearing to read 'Hagen Graeff'.
